Freestanding Wall mounting Ceiling

MULTIPLO one

MULTIPLO one is a multipurpose fabric light box display specifically designed to offer solution in communications advertising messages to customers and prospective clients wherever they are.

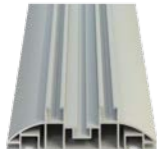

What makes this display quite unique is that with just a simple change in positioning, adding a few components, the existing banner display can be transformed into a variety of backdrop sizes from a booth to a complete exhibition stand in just a few moves.

Being easily assembled, with no technical knowledge required, **MULTIPLO one** can be transported in a convenient trolley case.
